DIARY NO. 9107

THE SECRETARY TO GOVERNMENT,
GENERAL DEPARTMENT.

1915 .. 16
Fin 486-15

My dear Sir,

I beg leave to address you further in regard to the proposal to start a Ladies' Club at Bangalore.

2. In your letter No.G.3205, dated the 27th October 1913, you wrote to me that Government had been pleased to consider favourably the grant, free of cost but subject to certain other conditions, of a site measuring 3 acres and 24 guntas in the Cubbon Park Extension to the Ladies' Club, provided the promoters of the Club formed themselves into a strong committee and furnished satisfactory proof that they were in earnest and would be able to carry through the scheme. You also wished to know how the balance required, over and above the contributions already collected or promised, to make up the estimated cost of the building would be raised. A site was also reserved for the purpose until further orders.

3. In your letter No.G.11336/G.M.337-12-4, dated the 19th April 1915, the Treasurer, Ladies' Club was informed that the concessions had been withdrawn by Government, as the promoters had failed to form a committee and to furnish proof of their earnestness.

4. I regret to say that the movement did not make further progress owing to certain causes over which the promoters had little or no control. A very earnest endeavour is now being made to take further action on the lines indicated in the first of your letters referred to above. In view of this circumstance

circumstance, the exertions already made in this direction in the past and the difficulties incidental to a movement of this kind, I request that Government may be graciously pleased to direct that your first letter still holds good.

5. It is unnecessary for me to state that the decision of Government contained in your second letter has considerably added to the difficulties in the way of consolidating the project in view, and it is obvious that without fresh proof of sympathy on the part of Government towards this scheme, substantial progress would be most unlikely.

Yours faithfully,

Hirome Iyengar
